

Brides! Do you still need a wedding dress and can't get to the bridal shop because we are temporarily closed?
Let us come to you! The Curvy Bride is going MOBILE!

***With only a \$99 deposit, you will receive a virtual consultation with the owner, delivery of 4 dress options to your home, & a framed "I said Yes to the Dress" sign to keep!
The best part? If you purchase a dress, the deposit is applied to your purchase!***

How it Works:

- To sign up, schedule your Virtual Consultation using the appointment feature on our website.
- We will give you a quick call to confirm, and discuss your style, budget, and measurements.
- During your 30-minute Virtual Consultation, we will show you up to 5 sample gowns that we think you'll love! If you see something that catches your eye, we will then schedule a day/time for your at-home dress delivery and collect your \$99 deposit.
- We will curate a selection of up to 4 favorites for you to try on and bring the dresses right to your door with contactless porch delivery! You will have 1 hour to try them on in the comfort of your own home! Make it a Zoom party and show your friends and family if you'd like! We can be on the Zoom call as well to answer any questions you have about the dresses.
- Once you choose your favorite, you simply pay the remaining balance and keep the one you love! And just like that, *you'll say yes to your dress without leaving your house!*

***We know how stressful this time is for many of you, and we are here to help!
This is especially a great option for brides getting married within the next year.***
